

BRAKE TESTING TECHNOLOGY CONNECT SERIES

C_MCD
VP 186054

C_MCD VP 186054

The modular MAHA Universal Console can be expanded from a stand for the CONNECT analog display or a TFT television to a fully equipped input terminal. The mounting option of the C_MBT control cabinet allows free-standing installation and, thanks to the possibility of use in the emission tester and scissors lift area, also ensures a tidy and modern appearance in your workshop or test hall.

PRODUCT DETAILS/ACCESSORIES

Basic console for modular and customer-specific expansion up to a fully equipped input terminal.

Also for use as a stand for the Universal

Analog Display or a TFT television up to 40".
Possibility to accommodate the C_MBT 3.5 - 20.0 basic control cabinet (Standard).

TECHNICAL DATA

Dimensions (H x W x D)	1180 x 550 x 460 mm
Weight	approx. 31 kg
